

MASSAGE CHAIR

The Ultimate Comfort Solution

This contemporary styled Massage Chair is designed for full body relaxation and relief of stress and muscle discomfort due to today's busy life styles.

There are 8 easy control function settings for massaging shoulders, back, lower back and thighs. Combining the massage settings of your choice with the most comfortable body position will give the ultimate massage pleasure.

Easily adjust chair to the most comfortable position by lifting both arms to release the lock position and move frame forward or backward.

There are 9 adjustable positions for finding your best comfort zone.

Use the Massage Chair to alleviate pain associated with hypertension, arthritis and rheumatism.

Easy fingertip control for 8 different massage functions

Special Massage Effects are vibrating, rolling, squeezing and hammering sensations with different combinations of those effects

The Massage Chair can be used in the home, office or travel destinations

The Massage chair can be used outdoors by simply plugging into the automobile cigarette lighter receptacle

Light weight, handy and easy to assemble and disassemble

Folds up easily and takes up very little storage space

Durable simulated leather vinyl material

There are 4 massage effect cushion locations

① Shoulder ② Lower Back ③ Thigh ④ Leg Calf

Massage Chair frame adjusts from a near horizontal position to the upright position shown here
